

# ANNUAL REPORT 2024

**Dear New Life Chapel Family,**

**As we begin another year together, we're excited to celebrate our 15th anniversary as a vibrant community of faith! Looking back, it's incredible to see what God has done in and through our church since the day we founded New Life Chapel. Even in challenging times, we've kept our focus on what matters most – helping people to know Jesus, experience new life, discover their purpose and make a difference.**

**The impact made over a decade and a half has been humbling and inspiring. Today, we are more excited than ever to see what lies ahead because of God's faithfulness and the unwavering support of each one of you!**

**We are overwhelmed by the generosity you've shown. Your dedication in time, service and resources has made a real difference in countless lives. It's because of your commitment that we are able to make a lasting impact in our church, our community and across the world.**

**Our prayer for 2025 is for more Holy Spirit! We desire for New Life to be filled in such a powerful way that we see an even greater impact locally and globally. We pray blessing over our church for God to increase our reach and influence so thousands can hear the Good News of Jesus Christ!**

**Blessed to be your Pastors,**

# Testimony #1

I was completely lost, and the enemy had been coming after me. Everything that I had chased up to this point in life was the reason I felt so empty. Looking back through a new lens has shown me the spiritual war that had been going on. God was the only thing that could fill this void in my life. It would have been easy for me to get saved, check a box, and go right back to the same things I had done before. What I love about New Life Chapel is they teach you how to be a Christian. Several people in the church reached out and helped me get connected and began to disciple me. My faith is stronger than it has ever been. I am so very grateful for God's love and His grace!

# Testimony #2

Throughout my adult life, I struggled in almost every aspect of my family and my marriage. I was bitter, resentful, impatient, short-tempered, and the furthest thing from Godly. I was the broken mirror that everyone could feel, see and hear. My life changed forever when I was invited to NLC's Easter service. I cried for almost the entire service and the following two services afterward. So many things Pastor Lonnie had said struck a chord, and a pouring of emotion and hope began to brew. Each week, there was more healing, more patience, more understanding, less pridefulness, less stress, and more gratitude and love for Christ, our Church, and our family members. I have been healed in more ways than I could ever articulate, and so has my wife. Our family now has a purpose and a road map - to serve our Lord and Savior Jesus Christ.

"But thanks be to God! He gives us victory through our Lord Jesus Christ. Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain."
